This is a tentative plan to help give you, your parents, and your school some direction as you progress through high school. As you fill in your plan, remember that it is only a plan and should be revisited annually to ensure your educational success throughout your four years in high school. Plan carefully and select academic courses and electives that will support your interests, career goals, and post-high school plans. Refer to the Kerrville ISD High School Course Catalog for course descriptions and CTE coherent sequences.
