

# ArbiterAthlete™

- Once you have linked accounts select “Review Athletic Forms” and select the sports of interest and then click on the first form name at the bottom of the page.
  - As you complete the forms you will be prompted to progress to the next form until all required forms are completed.

\*\*Medical History- will be completed electronically and then is available to print after it has been completed for you to take to the doctor.

**\*\*Physical will need to be completed by your physician and then can be uploaded to your account.**

- **Via phone:** Log into your ArbiterAthlete account and select Physical Exam in the Athletic forms section.
  - Select upload and then choose camera and take an image of the physical form with your phone camera.
  - Save it and then select save and sign.
- **Via Computer:** Scan the document and save on your computer.
  - Log into your account and select Athletic Forms and then select Physical Exam.
  - Click upload and then find the document on your computer and save it.
  - When done select save and sign at the bottom of the screen.

You will have the option to complete the forms electronically or print and upload the documents yourself.

\*\*Your student’s online registration is NOT complete until all documents have been e-signed and uploaded.
