

Dear Parents of Incoming 7th grader,

The Athletic Department at Kerrville ISD now hosts their Pre-Participation Athletic Forms online with **ArbiterAthlete**. This digital platform will allow you, and your student(s), to complete and access athletic forms via computer, tablet, or mobile phone. It is HIPAA (Health Insurance Portability and Accountability), COPPA (Children's Online Privacy Protection Act) and FERPA (Family Educational Rights and Privacy Act) compliant. A link to the privacy policy is located at the bottom of the Sign in page at www.arbiterathlete.com

***At this time, we will be completing the account set up process.**

Due to your student being under the age of 13 and in compliance with federal regulations of COPPA, your permission will have to be given for your athlete to create a student account.

How do you give Permission?

- You will receive a notification through a text message allowing you to give your permission. Once the permission is given, then the student can continue to create their account.
- A student account must be set up prior to the Parent account.

After Student Account is created, follow the steps below.

STEP 1 Creating your Parent/Guardian Account.

(Students will create their accounts at school during Athletics and may send you a request via text message or email to set up and link to their account.)

Follow the link that was sent to you by your student

-OR-

Go to www.arbiterathlete.com and click on the **SIGN UP** button in the top right of the screen.

- Choose the type of account you wish to create. (Select Parent)
- Complete the requested information. (Be sure to use the email address or phone number the link was sent to.)
- Be sure when choosing your school that you choose the school the student is attending.

STEP 2 Linking Accounts.

Link the Parent account to the Student(s) account if you did not receive an invitation or if you have multiple students.

You will be led through this process after creating an account. If you do not link accounts at the time of account creation, you can always click the **LINK ACCOUNT** button at any time to complete or initiate the linking process. Parents can link to as many student accounts as they wish by repeating the linking invitation process.

The system will automatically prompt you to complete Athletic Forms. Once you have linked your account to your student, select "Review Athletic Forms" and proceed through the forms.

If there are any questions or concerns, you can email the Athletic Trainer, Amy Sralla at amy.sralla@kerrvilleisd.net
